

Big Picture New Testament

Lots of pieces

Need them all – preservation of each jot and tittle

([De 4:2](#); [Ps 12:6-7](#); [Pr 30:5-6](#); [Mt 5:18](#); [Re 22:18-19](#))

Not all Bibles are the same. Some are [missing](#) key pieces (i.e. [Acts 8:37](#), [Mar 16:9-20](#))

One way to do it right. What did the Author intend?

No private interpretation ([2Pe 1:20-21](#))

Must be rightly divided and takes time and hard work. ([2Ti 2:15](#))

Self-interpreting - search, sort, & compare

Searching: [Joh 5:39](#); [Acts 17:11](#);

Comparing: [1Co 2:13](#); [Joh 6:63](#)

Find edges, corners, colors, shapes (i.e. people, places, events, times)

Gets easier as pieces fall in place. What's right at first may be wrong later. [Isa 28:10](#)

A blind person would have a hard time doing a puzzle. [Mt 13:13](#) [Joh 12:40](#) [2Co 4:3-4](#)

[2Ti 3:16](#) – It is profitable

[2Ti 2:15](#) - to study and

[2Ti 2:2](#) - to teach others to teach others also

“I KEEP six honest serving-men
(They taught me all I knew);
Their names are **What and Why
and When And How and Where
and Who.**” ... **Rudyard Kipling**
